

## **POLICY 4071 PROCEDURES**

When the superintendent determines that there are sufficient grounds to suspend and/or discharge a certificated staff member, the staff member shall receive written notification that specifies the probable cause for such action. The notice shall contain information of the staff member's appeal rights, if any, and notice of the appeal processes. The staff member may submit within ten (10) days of such notification a written request (RCW 28A.405.310) for a hearing to determine whether or not there is sufficient cause for discharge.

Staff who does not request a hearing shall be adversely affected as specified in the written notice.

Classified staff not employed under formal contract may be suspended for a specified or indefinite number of days with or without pay. A regular status classified staff member shall be advised of the right to request a predetermination meeting within five (5) working days following notice. At the hearing, the superintendent shall provide notice of charges against the classified staff member, an explanation of the evidence that has been collected and the opportunity for the staff member to clarify or refute the charges. Following this conference, the superintendent shall advise the staff member of the right to a hearing with the board prior to any formal action that may be taken by the board.

Any staff member who has contact with children, or a certificated staff member whose certificate is subject to revocation, shall be terminated immediately for a guilty plea or conviction of any felony crime against children as stated below. Such employee shall have the right of appeal.
