

GRANITE FALLS SCHOOL DISTRICT

PERSONNEL

POLICY 4072: POSSESSION OF DANGEROUS WEAPONS

No one is permitted to possess firearms or dangerous weapons on school premises.

This prohibition does not apply to anyone officially engaged in military, police or security activities; employees and/or invited guests involved in a convention, showing, demonstration, lecture or martial arts or firearms safety course authorized by the district; or employees supervising a firearms or air gun competition authorized by the district. For any such person and/or employee, storage of a legally possessed firearm must be out of view in a secured, locked compartment.

Violators of this policy will be requested to leave the school premises immediately.

Violations of this policy will subject an employee to disciplinary action under Policy 4071, Disciplinary Action and Discharge.
