

GRANITE FALLS SCHOOL DISTRICT

INSTRUCTION POLICY: 6092 TITLE I PROGRAMS

The Granite Falls School District shall establish Title I programs in accordance with state and federal guidelines.

A Title I program has been developed to focus on reading and math skill improvement for students who have demonstrated a measurable need for remedial instruction. The program functions under the school principal plus ancillary personnel who work with students in small groups or individual instructional modes.

Annual approval of a submitted plan provides funds for program development. Annual student assessment provides data from which instructors decide whether a student remains or exits this program.
