## **BOARD OF DIRECTORS**

### **POLICY 9125: REVIEW OF POLICIES**

In an effort to keep its written policies up-to-date so that they may be used consistently as a basis for Board action and administrative decision, it shall be the policy of the Board to review its policies on a continuing basis.

The Board shall evaluate how the policies have been executed by the school staff and shall weigh the results. It shall rely on the school staff, students and the community for providing evidence of the effect of the policies that it has adopted.

The Superintendent is given the continuing commission of calling to the Board's attention all policies that are out-of-date or for other reasons appear to need revision.

The District will maintain up to date policies based on recommendations from the Washington State School Directors Association (WSSDA) and Northwest ESD 189.
