School Safety Center

The **School Safety Center** fulfills multiple Washington State laws by providing training, technical assistance and resources to districts, parents and students on a broad spectrum of school safety topics.

The Center also publishes attendance, student discipline and weapons-in-schools data for required state and federal reports.

Through trainings, technical assistance, monitoring and engagement in interagency work, the Center provides resources and support to state agencies, districts, families, students and the public.

The School Safety Center offers 24 X 7 online support on the following topics:

- [Behavior Report](#) (28A.600.460)
