SCHOLARSHIP ANNOUNCEMENT AND INSTRUCTION SHEET

The Granite Falls Lions Club announces the availability of their scholarship awards to the Granite Falls High School graduating class of 2015.

Applicants will be considered using the following guidelines:

1. On the basis of financial need.
2. On the basis of desire to advance their education by attending a four year college, two year college, or a vocational or technical school.
3. While grade point average is considered, it is not the only criteria used when choosing the scholarship recipients.
4. Parents and applicants may be asked to attend a Lions Club dinner where the applicant will make a short presentation. You will be notified of the date of the dinner.

To apply, prepare an essay telling the Committee about yourself. Include any honors, clubs, and other activities you are involved in. Also include a copy of your transcripts and at least two letters of recommendation. Place your application in a folder or binder and return it to Porscha Lachapelle no later than May 15, 2015.

Awards will be presented at the Granite Falls Senior Awards Ceremony. We hope many of you will apply, and we extend our best wishes to all of the graduates.
