Girl Scouts is the world's largest leadership development organization for girls. We aim to build brave girls who make the world a better place. At Girl Scouts, guided by supportive volunteer adults, girls develop their leadership potential through age-appropriate activities that enable them to discover their values, skills, and the world around them. They connect with other girls in a multicultural environment, make new friends and take action to make a difference in their world.

Prepare her for a life of leadership and success!
