

UNIT 22 IS RECRUITING!

WHO WE ARE: A student-led team of inclusive, dedicated, and inspired kids who are aligned to help veterans thrive.

WHAT DO WE DO: We *Walk 'n' Run* twice weekly on Friday and Sunday afternoons to spread awareness about the veteran suicide crisis and to honor all who have and do serve in the armed forces. We also send veterans birthday and holiday cards (both elder veterans and active duty), collect donations for care packages for active duty military, meet elder veterans in-person to listen and learn from them when they share their military experiences. We are growing fast, looking to expand in new ways, and would love to have you join with us.

FEES AND MEETINGS?: There are no fees at this time. As the group grows, that may be reconsidered but we want to keep participation high and have funding from donations and fundraisers. We meet once a week, usually after the Friday *Walk 'n' Run*. We are making steps to become a non-profit organization.
