

Granite Falls High School
Traffic Safety Education
DOL Approved License Testing

Steps to getting your first License:
Teens 15 – 17 years old

License Requirements

To get your driver license, you must:

- Be at least 16 years old.
- Be a Washington resident (your license will show this address).
- Successfully complete a driver training course.
- Have your Washington State instruction permit for at least 6 months.
- Not have been convicted of any traffic violations within 6 months of applying for the license.
- Not have been convicted of any alcohol or drug offense while holding an instruction permit.

Steps to sign up for Traffic Safety Education class and getting your instruction permit.

Determine student's age and choose which session best fits with family/student's schedule.
Each session is limited to 30 students

TSE Sessions	Starts	Ends
Fall Session	Last week of September/First week of October	Middle/Late November
Spring Session	Last week of February/First week of March	Middle of May
Summer Session	May	First of July

Minimum Age Requirements

Student must be 15 on the first day of class. Check with instructors or bulletin for the official first day of class of each session.

Go to dol.wa.gov to pre-apply online and generate a 12-digit ID number.

- If you need help, there is a You Tube video that will take you step by step through the process.
- "How to pre-apply for a WA drive license" 3:48 minutes long

Fill out registration form and sign contract (both sides) including DOL ID number.

Turn in contract and registration form and pay \$490.00.

- Pay with credit card/debit card online via Granite Falls District Website (Traffic Education Link).

10 days prior to the first day of class and **after** you have been notified by the instructor, log back onto the student's DOL License eXpress account and print their learners permit.

How to get your license

1. Pass the driver training course
Instructor will electronically submit course completion.
2. Complete at least 50 hours of driving practice (including 10 hours at night) with someone who's been licensed for 5 years or more.
 - a. Resources for the person who supervises the driving practice can be found on the DOL web site.
 - i. Intermediate License logbook
 - ii. Washington Parent Guide to Teen Driving for tips on how to supervise
 - iii. Safe-Driving agreement between parents and teens to establish safe-driving rules.
3. Pass the knowledge test (if you have not done so yet)
 - a. Instructor will electronically enter score
4. Pass the driving test (can be scheduled any time after they have pass the TSE course and passed the knowledge test)
 - a. Instructor will electronically enter score
5. Get your license:
 - a. Turn 16 and had your instruction permit for 6 months.
 - b. Go online: (Pre-COVID)
 - i. Your parent or guardian must be with you so they can give permission online for you to get your license.
 - ii. Parents will have to check the Parental Authorization Affidavit, verifying the completion of 50 hours of driving practice.
 - iii. Pay the licensing fee with a Visa, MasterCard, or American Express debit or credit card (no gift cards).
 - iv. Print the receipt. It's your temporary license. Since it doesn't include your photo, you can't use it as identification.
 - v. Your permanent license will have the same photo as your instruction permit. It will be mailed to the address on have file.
 - vi. Your permanent license will be mailed within 7 – 10 days. If you don't receive it within 30 days, please go to a driver licensing office.
 - c. **COVID Protocol**
 - i. Make an appointment at an open DOL office.
 1. Appointments may be up to 2 months out.
 - ii. Ensure that we have entered your course completion and exam scores.
 - iii. Bring a parent with you to the licensing office to sign the parental authorization form.
 - iv. Show proof of identity.
 - v. Provide your Social Security number or sign a declaration if you don't have one.
 - vi. Pass a vision screening.
 - vii. Have your photo taken.
 - viii. Pay the fees.

Intermediate License Laws for Teen Drivers

If you're **under 18**, you'll be issued an intermediate driver license and must follow these laws:

Driving with Passengers

- **First 6 months:** no passengers under 20 years old, except for immediate family members (spouse, child, or siblings, both by birth or marriage).
- **Next 6 months:** No more than 3 passengers under 20 years old who aren't members of your immediate family.

Nighttime driving

For the **first 12 months**, you can't drive between 1 am and 5 am unless you're with a licensed driver 25 years or older. The **only exceptions** are driving agricultural purposes and transporting farm products or supplies under the direction of a farmer as described in RCW46.20.070.

No cell phones

You aren't permitted to use wireless devices while driving, even with a hands-free device. This includes talking on cell phones and sending or receiving text messages. You may only use a wireless device to report an emergency

These restrictions won't apply after you turn 18 years old.

**STUDENT RESPONSIBILITIES AND REQUIREMENTS FOR SUCCESSFULLY COMPLETING
THE GRANITE FALLS HIGH SCHOOL TRAFFIC SAFETY PROGRAM
(Please read, sign as instructed, and return.)**

Welcome to Traffic Safety Education. Our goal is to help you become a safe, responsible, and defensive driver. As your instructors, we take this class VERY seriously. Together, we are in life or death situations daily, and none of us wish to become another statistic or make the headlines of tomorrow's newspaper. We hope you will make the most of the opportunities provided to you in this class so that you may enjoy many years of collision-free driving.

ENROLLMENT - Students between the ages of 15 and 18 who reside in the Granite Falls School District are eligible to enroll in the Traffic Safety Education Class paying the fee of \$490.00 at the time of enrollment.

WITHDRAWING FROM CLASS - NO refunds will be granted to students who withdraw after classes have started. This program is not financed by school district tax funds, but by student fees; therefore, space and teachers must be provided according to the number of students enrolled. Once a student is accepted, others will be turned down as space is limited.

REPEATERS - Students who fail or drop out of class will have the opportunity to take the class over. This will require an additional fee of \$490.00. Both the classroom and the behind-the-wheel instruction must be repeated in case of failures.

PERMIT - All students must have a permit to drive. 10 days prior to the first day of class and after registering for TSE course, you and your student will need to go to the Department of Licensing to get his/her permit before the date they are scheduled to drive. When a parent takes a student under the age of 18 to the DOL to obtain an instruction permit, a new law requires the parent to provide documentation that establishes he/she is the actual parent of the student. The best documentation is a birth certificate which includes parent name. A stepparent will need a marriage certificate as an additional source documentation.

DRIVER'S GUIDE - Each student can obtain a Washington State Driver's Guide (free of charge) by downloading and printing one from the DOL web site or pick one up from the DOL. If a Driver's Guide cannot be downloaded and printed, one will be issued during the first day of class. Issued Driver's Guides must be returned at the completion of the session.

CLASSROOM SESSIONS - Each classroom session will be approximately 1 (one) to 2 (two) hours in length for a total of 34 classroom hours. Make sure your son/daughter does not drop below the state minimum of 30 total classroom hours. If, for any reason, the student drops below the state minimum, he/she will be dropped from the program.

WORKSHEETS - Students will be given worksheet packets to supplement the Driver's Guide. These packets should be completed by the next lesson or when designated by the instructor. These sheets are designed to help the student better understand the material presented. All assignments must be completed and turned in to pass the course. In addition, the class will first discuss concepts in class before application is done with the on the street phase (driving portion) of Traffic Safety Education.

TESTS - Students must pass all course unit tests with an 80% or better in order to pass the course. Students will be allowed to retake each unit test once, before an alternative test will be assigned.

Students must pass the TSE course, both in the classroom and behind the wheel, before they will be allowed to take the DOL knowledge (written) test. They must also have passed the DOL knowledge test before they can schedule the DOL skills (driving) test. The Motor Vehicle Department requires each applicant who applies for a driver's license to pass the written test with a score of 80% (32 out of 40) questions. He/she is also required to obtain a score of 80 out of 100 points on the driving test. Not all students pass the knowledge and/or skills test on the first attempt. They may retake either test as soon as they feel ready, however, there is an additional cost of \$25 dollars for each knowledge test and \$45 dollars for each skills test needed.

CHEATING/COPYING – Cheating on tests will result in an automatic failure of the class and your money will NOT be refunded. The teacher, on a case-by-case basis will handle copying of worksheets. A second offense will result in failure of the class.

DRIVING LESSONS - Any student who misses any driving lesson without notifying the instructor 24 hours in advance will be subject to the following: Lessons must be rescheduled and made up. **Students will be charged a \$45 rescheduling fee for all offenses.**

IN-CAR INSTRUCTION - The student driver must give his/her driver's permit to the instructor before taking the wheel of the car. Students will not be allowed to drive if they are not in possession of their driver's permit. Students will drive in groups of two (2), and the instruction is divided into six (6) lessons. The last lesson will be a final review for the skills (driving) examination.

SUSPENDED STUDENTS - Students suspended from school will not be allowed to attend classroom sessions during the time of suspension. Students suspended from school for possession or use of alcohol or illegal drugs will be dropped from the Traffic Safety Program.

At the end of the session the completion certificate will be electronically submitted to the DOL website for all students who have completed the course.

We realize that it is not possible for all students to become accomplished drivers during the course. The students are therefore judged not only on their present skills, but also on whether or not they have the potential to be good and safe drivers after having additional practice in the family car. SUPERVISED PRACTICE in the family car is essential for success - BEFORE, DURING and AFTER the course. Without additional practice, many students fail to show the necessary potential required for successful completion of the course.

It will be beneficial to both teacher and student if the student has had a small amount of practice before the first driving lesson. This should be confined to a safe area, such as a school parking lot. Practice in backing is very helpful. After the driving lessons have begun, more practice is advisable. A recommended amount of practice is at least two hours in the family car for each hour in the TRAFFIC SAFETY CAR.

If you have any questions, please contact us.

Department of Licensing (DOL) Examination Guidelines and Information

Washington State Department of Licensing (DOL) driver license knowledge and driving skills examinations are administered by qualified examiners in accordance with standards and procedures established by DOL. These examinations are conducted at Granite Falls High School for any high school age student who have successfully completed a Traffic Safety Education (TSE) Program or for any High School student over 18 years

For students who completed TSE somewhere else or over the age of 18, the fee to administer the initial written knowledge test is \$25, and the fee to administer the initial driving skills test is \$45. For students enrolled in the Granite Falls High School TSE program, the DOL examination fee is included with the registration fee. All fees are nonrefundable.

The written knowledge exam consists of 40 multiple-choice questions about traffic safety laws. In order to pass the test, at least 32 answers must be correct. If the knowledge test is not passed the first or second time, there is an additional \$25.00 for each subsequent test. Written knowledge tests are held in a group setting; rescheduling may be available for the next session.

The driving skills exam tests the student's ability to drive legally and safely. A score of at least 80% is required to pass. If the driving skills test is not passed the first time, there is an additional \$45.00 for each subsequent test. Driving skills tests are provided by appointment on an individual basis.

Students providing their own vehicle for the driving skills exam must show proof of insurance and current registration on the day of the test. The car must be legal to operate on public streets, including, but not limited to, windshield, seat belts, wipers, defroster, tires, mirrors, all brakes and reverse lights, turn signals, and licensed with current tabs. Arm signals will need to be demonstrated prior to beginning the skills test.

Exam scores are entered into the DOL database within twenty-four (24) hours. Passing the knowledge and driving tests does not guarantee that an applicant will be issued a driver license.

Visit the DOL online website to apply for a driver license once all licensing requirements have been met. For students under the age of 18, requirements include:

- At least 16 years old
- Successful completion of a traffic safety education course
- Permit held for at least six (6) months
- Fifty (50) hours driving experience with at least ten (1) night driving hours

The DOL reserves the right to conduct random re-examinations; applicants refusing to take a re-examination may have their license revoked. Testing must be done at a DOL office if a letter was received from DOL regarding specific examinations due to a physical, mental, visual, or medical issue.

An online form is available at <http://tinyurl.com/lnouhab> to file complaints about the Traffic Safety Education (TSE) program or Department of Licensing (DOL) examination program administered by the Northwest Educational Service District 189 (NWESD).

Signatures below indicate acknowledgment and acceptance of all DOL examination guidelines listed above.
