"We Expect Success"

March 10, 2020

Hello Granite Falls staff, students, and families,

The Granite Falls School District has been notified that Governor Jay Inslee is holding a press conference sometime between 10:00 am and 12:00noon tomorrow, March 11, 2020. The substance of this press conference will likely impact schools in Western Washington. We don't know the full extent of the press conference and will be watching with you. We will follow up with additional details as information becomes available regarding how this will impact our schools and community.

Thank you,

Melanie Freeman
Communications
Granite Falls School District

Mission: The Granite Falls School District is committed to the individual development of each student.
