

May 4, 2020

Dear Families of Seniors,

Thank you for your support as we work through the COVID-19 pandemic together. Our seniors have been on our minds every day, as we plan to provide the best possible recognition for their graduation. We appreciate the many ideas that you have shared with us.

Here is an overview of our current plan, with more details to follow.

- Virtual Graduation Ceremony- We have made preparations for virtual graduation ceremonies in place of our usual live graduations.

Due to restrictions remaining in place because of the current health concerns we are also planning some special events in addition to the virtual ceremony. These events would include a Senior Parade of cars through town and home delivery of your students' diplomas by our Board of Directors and administrators, and possibly other events organized by the senior parents.

We will keep you posted on updates and will send more details to you as we determine next steps. We appreciate your partnership very much!

Thank you,

Kevin Davis
Principal of Granite Falls High School

Bridgette McVay
Principal of Crossroads High School and Open Doors Academy

Dr. Josh Middleton
Superintendent
