

# MWE Student Canvas Logging On

## Using a QR code badge method -

### From a personal device:

1. Web browse to [www.gfalls.wednet.edu](http://www.gfalls.wednet.edu)
2. Click on **STUDENT/PARENTS RESOURCES** menu
3. Click on **Clever** from the menu
4. When Clever.com loads, click on the **Clever Badge log in**.
5. Hold the QR code badge up to the camera. You should be allowed in within a second or two.
6. From there you should see a list of apps. Click on the red colored **Canvas** icon.

### From a GFSD Chromebook:

1. At the logon screen click on **Log in with Clever Badges**
2. Hold the QR code badge up to the camera. You should be allowed in within a second or two.
3. You will be taken to the default start pages/tabs. You can either click on the link labeled **Clever** or click on the **second tab** that opens up (which is at Clever)

4. From there you should see a list of apps. Click on the red colored **Canvas** icon.

## Using a non-badge logon method (username and password) –

### From a personal device:

1. Web browse to [www.gfalls.wednet.edu](http://www.gfalls.wednet.edu)
2. Click on **STUDENT/PARENTS RESOURCES** menu
3. Click on **Clever** from the menu
4. When Clever.com loads, click on **Log in with Google**.
5. Enter your child's GFSD username: [lunchnumber@gfalls.wednet.edu](mailto:lunchnumber@gfalls.wednet.edu) (for example [0555555@gfalls.wednet.edu](mailto:0555555@gfalls.wednet.edu))
6. Enter your child's GFSD password
7. Upon successfully logging in you should see a list of apps. Click on the red colored **Canvas** icon.

### From a GFSD Chromebook:

1. At the very first logon screen click on the blue **Sign in with a different account**.

2. Enter your child's GFSD username: [lunchnumber@gfalls.wednet.edu](mailto:lunchnumber@gfalls.wednet.edu) (for example [0555555@gfalls.wednet.edu](mailto:0555555@gfalls.wednet.edu))
3. Enter your child's GFSD password
4. You will be taken to the default start pages/tabs. You can either click on the link labeled **Clever** or click on the **second tab** that opens up (which is at Clever)
5. From there you should see a list of apps. Click on the red colored **Canvas** icon.
